RE: County File # _____

Well Permit # _____

Building Permit # _____ – _____

I am hereby requesting a 15-day deviation to the water sample requirements for a Use and Occupancy Permit. I need this deviation for the following reason(s):

I understand that it is my responsibility as the contract purchaser to bring the water supply into compliance with all pertinent regulations. I will do whatever is necessary within the 15-day time period. If samples are required, I will contract with a private lab for them.
